

# Digital Talent Scholarship 2022

**CNN - 3**

Lead a sprint through the Machine Learning Track

# Agenda

- Introduction to Multiclass Classifications
- Demo
- Next steps

# Are your students ML-ready?

## Horse or Human Colaboratory - Google Colab

# Multiclass Classifications

# What is Multiclass Classification?

Multiclass Classification: Sebuah tugas klasifikasi dengan lebih dari dua kelas.

Contoh : mengklasifikasikan satu set gambar buah-buahan yang mungkin jeruk, apel, atau pir.

# Demo - Multi-class Classification with Imbalanced Data-set
